REMARKS/ARGUMENTS

Reconsideration of the application is requested.

Claims 1-10 remain in the application. Claims 4, 6 and 7 have been amended.

More specifically, we have amended the claims in accordance with the Examiner's suggestions. Instead of adopting the term "said", we have used the definite article "the", keeping with counsel's style of method claim terminology.

It is appreciatively noted that all of the claims are allowed. Should the Examiner have any further questions, counsel would appreciate a telephone call during which the matter may be discussed and resolved. In view of the foregoing the issuance of a Notice of Allowance is requested.
